Reference: Laboratory Test Report
Lab Identification No. 34897
Invoice No. 66077

Dear Mr. Jones:

One (1) fabric sample, identified as **BUGLE SPA LOT# 536285A FOR SMITH BROTHERS**, was received and tested in accordance with the California Technical Bulletin 117-2013, Section 1, Cover Fabric Test. The results are as follows:

Test Results

Vertical Char Lengths

20mm

23mm

19mm

The sample submitted **meets** the requirements of the above standard. There were no ignitions or smoldering after 45 minutes on any of the three specimens tested. In addition, none of the three test specimens displayed a char which was greater than 45 mm.

If there are any questions or when we can be of further assistance, please let us know.

Sincerely,

Brian S. Dement
