| Annex              | 4                                                                                                                                                                                                                                                                                           |
| Product class      | I                                                                                                                                                                                                                                                                                           |
| Certificate scope  | Artificial leather produced from knitted base fabric (including brushed fabric) made of 100 % polyester, bleached, disperse piece dyed, with white, pigment dyed polyurethane coating; produced using components partly pre-certified according to OEKO-TEX® STANDARD 100 and ECO PASSPORT. |

If all criteria meet the requirements of the standard, the certificate will be issued.

This confirmation is valid until 10/08/2026. It cannot be renewed and cannot be used as a certificate replacement; it does not allow the use of the OEKO-TEX® label marking or advertising purposes until a valid certificate is issued. Please be advised that any improper use of the OEKO-TEX® label will result in legal proceedings.

Best regards,

07/08/2026 Shanghai

Schramm
